Clear Ledger

Brand sheet. Clear space x = the wordmark cap height. Minimum sizes: horizontal 120 px / 25 mm, stacked 160 px / 25 mm, mark 24 px / 6 mm, favicon 16 px.

Clear Ledger is set plainly, two words with room between them, in a quiet moss green far from the bright blues and money greens of accounting apps. Beneath the name runs the double line a bookkeeper rules under a finished total: the sums are done, and you can see where you stand. Small, it shortens to CL over the same line, and it prints in plain black on a receipt printer.

LOGO SYSTEM

CLEAR SPACE

One x of clear space on every side, where x is the wordmark cap height. Never crop, outline, rotate, distort, add effects, recolour outside the roles, re-typeset, or place on busy backgrounds without the reversed or contained version.
