Pip

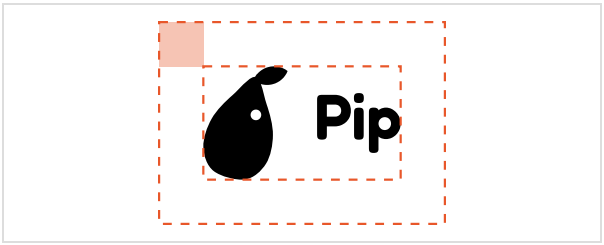

Brand sheet. Clear space x = the wordmark cap height. Minimum sizes: horizontal 120 px / 25 mm, stacked 160 px / 25 mm, mark 24 px / 6 mm, favicon 16 px.

Pip is a small seed with one bright eye and a single leaf, leaning toward the page the way a friend leans in to listen while a child reads. It is a pip, like the name: something small that grows, drawn round and warm in coral so it feels kind without turning into a cartoon. It stays simple enough to sit on an app icon, a sticker or a browser tab and still be the same quiet companion, and at the smallest sizes it keeps its eye open so the child can always find their friend.

LOGO SYSTEM

CLEAR SPACE

One x of clear space on every side, where x is the wordmark cap height. Never crop, outline, rotate, distort, add effects, recolour outside the roles, re-typeset, or place on busy backgrounds without the reversed or contained version.
