Pip

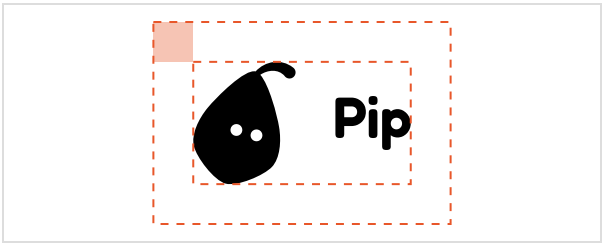

Brand sheet. Clear space x = the wordmark cap height. Minimum sizes: horizontal 120 px / 25 mm, stacked 160 px / 25 mm, mark 24 px / 6 mm, favicon 16 px.

Pip is a small seed with a sprout for a cowlick, leaning in the way a friend leans in to hear you read. It has almost no face, two quiet dots, so it feels kind rather than cartoonish, and it stays the same little character from the sticker on a lunchbox down to the icon on a phone. Its warm coral sits apart from the bright blues and rainbows of other reading apps, and the soft, round name beside it is easy for a five-year-old to read on their own.

LOGO SYSTEM

CLEAR SPACE

One x of clear space on every side, where x is the wordmark cap height. Never crop, outline, rotate, distort, add effects, recolour outside the roles, re-typeset, or place on busy backgrounds without the reversed or contained version.
